Description:

From School Library Journal Grade 7 Up—Each book includes a brief introduction to the play, followed by an illustrated cast of characters and a glossary of literary terms. Annotated text from the play alternates with black-and-white illustrations of selected scenes, in the style of a graphic novel. It is unclear why the editors did not make these true graphic novels throughout. The black-and-white comic art is undistinguished, and as most of it simply depicts two characters in conversation, it does little to clarify what is going on. The first two plays in particular offer marvelous possibilities for the illustrator, so the ho-hum comics are disappointing. Think about it boxes contain study

questions such as, What has worried Macbeth? and boxed Literary terms give examples like, 'Hermia...Hermia...Helena...' is...*alliteration*. Teacher's guides accompany the books. Those interested in a graphic-novel interpretation might want to consider Arthur Byron Cover's *Macbeth* (Puffin, 2005), which is illustrated in manga style and would probably appeal more to reluctant readers. These titles might be useful for teaching Shakespeare to reluctant readers, but a better choice might be a simple annotated Shakespeare such as a Sparknotes No Fear Shakespeare series (Spark), supplemented by Bruce Coville's *William Shakespeare's Romeo and Juliet* (1999) and *William Shakespeare's Twelfth Night* (2003, both Penguin), which are picture-book prose adaptations, or Adam McKeown's *Romeo and Juliet: Young Reader's Shakespeare* (Sterling, 2004).--Kathleen E. Gruver, Burlington County Library, Westampton, NJ

Macbeth does murder sleep', the innocent sleep, Sleep that knits up the ravell'd sleeve of care, The death of each day's life, sore labour's bath, Balm of hurt minds, great nature's second course, Chief nourisher in life's feast,-- LADY MACBETH. What do you mean? MACBETH. Still it cried 'Sleep no more!' to all the house: 'Glamis hath murder'd sleep, and therefore Cawdor Shall sleep no more; Macbeth shall sleep no more.' LADY MACBETH. Who was it that thus cried? Macbeth (/mÉ™kĒˆbÉˆ/; full title The Tragedy of Macbeth) is a tragedy by William Shakespeare; it is thought to have been first performed in 1606. It dramatises the damaging physical and psychological effects of political ambition on those who seek power for its own sake. Of all the plays that Shakespeare wrote during the reign of James I, who was patron of Shakespeare's acting company, Macbeth most clearly reflects the playwright's relationship with his sovereign. It was first published in the Folio of Macbeth (The Annotated Shakespeare) Annotated Edition. by William Shakespeare (Author), Burton Raffel (Editor). 4.4 out of 5 stars 46 ratings. ISBN-13: 978-0300106541. "Macbeth" is one of Shakespeare's plays where the main character is not the hero of the story but rather the villain. It tells a good story about a man who went from being the king's favorite to the king's worst enemy. This kindle edition of the play from Yale is nice.

Macbeth (/mETMkE[^]bE>I_/; full title The Tragedy of Macbeth) is a tragedy by William Shakespeare; it is thought to have been first performed in 1606. It dramatises the damaging physical and psychological effects of political ambition on those who seek power for its own sake. Of all the plays that Shakespeare wrote during the reign of James I, who was patron of Shakespeare's acting company, Macbeth most clearly reflects the playwright's relationship with his sovereign. It was first published in the Folio of... Macbeth. In 1603, James VI of Scotland ascended the English throne, becoming James I of England. London was alive with an interest in all things Scottish, and Shakespeare turned to Scottish history for material. He found a spectacle of violence and stories of traitors advised by witches and wizards, echoing James's belief in a connection between treason and witchcraft. In depicting a man who murders to become king, Macbeth teases us with huge questions. Macbeth is one of the well-known tragedies of William Shakespeare that was performed with the full title of The Tragedy of Macbeth. It is one of the plays written during the reign of James I to please him as he was the patron of Shakespeare's acting troupe. The play was first performed in 1606. It was first published in the First Folio in 1623. Interestingly, Macbeth is also the shortest tragic play by Shakespeare, with no subplots. It was inspired by the story of Macbeth, King of Scotland, Macduff, and Duncan from the historical record found in Holinshed's Chronicles, published in 1587. The historical Macbeth is very different from Macbeth in the play.
