Ohio University Press. Paperback. Book Condition: new. BRAND NEW, Album Quilts of Ohio's Miami Valley, Sue C. Cummings, From 1888 to 1918 a community of miami valley neighbors and relatives made album presentation quilts to celebrate life passages. While other areas have their unique quilt patterns and traditions, Cummings' documentation and collection of this remarkable grouping is a landmark moment in quilting history. Album Quilts of Ohio's Miami Valley presents more than two dozen never-before-published color photographs of these folk art album quilts. Relying on thirty-five years of research, Cummings builds the case for each quilt from family genealogies and interviews, census records, local histories, and cemetery visits. She approaches her subject, album quilts, from a perspective different from most works in this genre. In her preface she accurately suggests that most quilt studies done in reference to Ohio have focused on the ideological constructsâ€”such as race, ethnicity, and [Show full abstract] religionâ€”that bind the makers together. Cummings, however, describes a localized folk tradition and follows its ebbs and flows.
