Kim Krans is not only a vanguard of the new tarot movement, but the person who is redefining it for the twenty-first century. For a legion of contemporary seekers, *The Wild Unknown* is more than a tarot deck; it's become a resonant guide for people all over the world, inspiring them to share countless images of their readings, tattoos, and art prints from the deck.

Each of the seventy-eight cards in Krans's *The Wild Unknown* tarot deck is a work of art that explores the mysteries of the natural world and the animal kingdom. Hand drawn in her spare, minimalistic style, the striking images invite deep contemplation. *The Wild Unknown* guidebook is also an extraordinary cult art object—a hand-lettered and fully illustrated primer that leads readers through shuffling and cutting the tarot, creating spreads, and interpretations of all seventy-eight individual cards.

Now, for the first time, Kim's *The Wild Unknown* tarot deck and tarot guidebook are available together in one beautiful, high-quality keepsake box set. Newly designed by Kim herself, and including never-before-published material, this boxed set retains the mystery, glamour, and allure that made her original deck a cult sensation, while introducing a whole new audience to its magic.
