List of Doctors honoris causa. About the university. News. 8 Doctor Honoris Causa. over the last one hundred and fifty years in philosophy, and Fitting makes a very compelling connections between the two sciences showing that the Zeitgeist is not only Small is Beautiful, but that there is no other option to deal nowadays with complexity but using the strategy Divide and Conquer, both in logic and in philosophy.Â The publications of Professor Melvin Fitting are impressive and of an outstanding quality. For reasons which have to do with circumstances and time I shall focus on some of his brilliant achievements, only, which are some of his monographs and research books. Doctor Honoris Causa 9.
