Goldilocks, who previously had broken into the Bear's house, woke feeling very guilty. He decided to revisit the bears, and do something in return. He decided to revisit the bears, and do something in return of her rudeness. Because she ate their food.

"Goldilocks and the Three Bears" (originally titled "The Story of the Three Bears") is a 19th-century British fairy tale of which three versions exist. The original version of the tale tells of a badly-behaved old woman who enters the forest home of three bachelor bears whilst they are away. She sits in their chairs, eats some of their porridge, and sleeps in one of their beds. When the bears return and discover her, she wakes up, jumps out of the window, and is never seen again. The second version...

Historically, this Goldilocks combination of growth and inflation proved to be 'just right' for equity markets. While the Dow Jones is up significantly so far this year, the annual return has been higher in roughly one-third of all calendar years since 1900. In addition, European and Japanese stocks have risen less this year, while enjoying a more attractive valuation and continuous central bank support. It's official, Goldilocks is back on the stock market.
