### Reviews

*This ebook will not be effortless to get going on studying but very enjoyable to learn. Of course, it can be play, still an amazing and interesting literature. Your daily life period will probably be enhance once you complete looking at this book.*

-- **Mr. Osborne Homenick**

*It in a single of the most popular publication. It is loaded with wisdom and knowledge I am effortlessly will get a delight of studying a published book.*

-- **Aisha Swift**

After 30 years of exploring Europe, Rick considers this travel skills handbook his life's work. He shares his favorite off-the-beaten-path towns, trails, and natural wonders. With this guidebook, you'll experience the culture like a local, spend less money, and have more fun. Traveling the Rick Steves way is not for everyone. If you enjoy (and insist upon) room service, concierges, and other amenities of American-style hotels, you won't like traveling this way. The book discusses Rick Steves' Europe Through the Back Door teaches a person how to be a traveler rather than a tourist. I read an earlier version of this guide in 2008 and was glad I took the time to read a more recent version before my upcoming trip to Europe. Find great deals on eBay for Rick Steves Europe Through the Back Door. Shop with confidence. 10 product ratings - Rick Steves Europe Through the Back Door 2015: The Travel Skills Handbook by Ric. C \$5.72. From United States. 1 product rating - Rick Steves Ser.: Rick Steves' Europe Through the Back Door 2007 : The Travel C \$36.77. From United States. Buy It Now. +C \$6.36 shipping. NEW - Rick Steves' Europe Through the Back Door 2011: The Travel Skills Handbook. Brand New. C \$10.32. Rick produces a public television series (Rick Steves' Europe), a public radio show (Travel with Rick Steves), and an app and podcast (Rick Steves Audio Europe); writes a bestselling series of guidebooks and a nationally syndicated newspaper column; organizes guided tours that take thousands of travelers to Europe annually; and offers an information-packed website (RickSteves.com). I didn't want to try an independent first trip over there without looking at his latest Europe Through the Back Door, and it's still the best step-by-step guide on how to do it, particularly the parts that a first-time traveler could find the scariest - the language barrier, scams, winging your lodgings and transportation, and so on.
