First 100 Animals isn't bad by any means. However, across 106 entries it duplicates a few animals. There are three entries for owl with one distinguished by name (snowy owl - so I allow them this one) but the other two left without clarification. I'll even allow them the entries where the young version of the animal has a different name (puppy for dog, kitten for cat, etc.). In the case of the Lion entry one is male while the other is female (with no indication to the reader). First 100 Animals (First has been added to your Basket. Add to Basket.
