Description:

From School Library Journal Grade 7 Up—Each book includes a brief introduction to the play, followed by an illustrated cast of characters and a glossary of literary terms. Annotated text from the play alternates with black-and-white illustrations of selected scenes, in the style of a graphic novel. It is unclear why the editors did not make these true graphic novels throughout. The black-and-white comic art is undistinguished, and as most of it simply depicts two characters in conversation, it does little to clarify what is going on. The first two plays in particular offer marvelous possibilities for the illustrator, so the ho-hum comics are disappointing. Think about it boxes contain study questions such as, What has worried Macbeth? and boxed Literary terms give

examples like, 'Hermia...Hermia...Helena...' is...*alliteration*. Teacher's guides accompany the books. Those interested in a graphic-novel interpretation might want to consider Arthur Byron Cover's *Macbeth* (Puffin, 2005), which is illustrated in manga style and would probably appeal more to reluctant readers. These titles might be useful for teaching Shakespeare to reluctant readers, but a better choice might be a simple annotated Shakespeare such as a Sparknotes No Fear Shakespeare series (Spark), supplemented by Bruce Coville's *William Shakespeare's Romeo and Juliet* (1999) and *William Shakespeare's Twelfth Night* (2003, both Penguin), which are picture-book prose adaptations, or Adam McKeown's *Romeo and Juliet: Young Reader's Shakespeare* (Sterling, 2004).--Kathleen E. Gruver, Burlington County Library, Westampton, NJ

Act I Scene I (The heath) Scene II (A camp) Scene III (A heath) Scene IV (Forres. Macbeth is among the best known of William Shakespeare's plays, as well as his shortest surviving tragedy. It is frequently performed at professional and community theaters around the world. The play, loosely based upon the historical account of King Macbeth of Scotland by Raphael Holinshed and the Scottish philosopher Hector Boece, is often seen as an archetypal tale of the dangers of the lust for power and betrayal of friends.
