It is great and fantastic. Better than never, though I am quite late in starting reading this one. It's been written in an extremely simple way and is particularly only right after I finished reading this ebook where it actually changed me, affected the way I really believe.

Dinosaur vs. Santa was the newest addition to his book collection and he hasn't put it down since it got here yesterday! (Except to go to school). This book is great and I definitely recommend it. It's fun to hear him talk about the things he and Dinosaur do to get ready for Christmas. Bonus! I didn't know it came with a paper for a letter to Santa! So this would make an awesome gift in preparation for Christmas. My son's birthday is on 12/16, so I just gave it to him then. Dinosaur Vs. #Santa DINOSAUR VS. SANTA is all about Christmas ! Young Dinosaur is quite rambunctious but manages to accomplish his Christmas preparations (decorating, making gifts, writing Christmas cards, etc) in due time, but has a hard time going to sleep on Christmas Eve! The graphic illustrations in this book are colorful and comical, which will appeal to a wide audience. Dinosaur vs. Santa by Bob Shea Release Date: September 11, 2012. Buy new: \$15.99 \$9.80.
