

Good Disagreement?: Grace and Truth in a Divided Church

By Andrew Atherstone, Andrew Goddard

Lion Hudson Plc. Paperback. Book Condition: new. BRAND NEW, Good Disagreement?: Grace and Truth in a Divided Church, Andrew Atherstone, Andrew Goddard, At every level of church life from the local congregation to worldwide denominations, Christians can find themselves in turmoil and divided over a range of important issues. Many conclude that harmony is not achievable, and never will be. Can we, as Archbishop Justin Welby has asked, transform 'bad disagreement' into 'good disagreement'? What would that look like in practice? This book is designed to help readers unpack the idea of 'good disagreement' and apply it to their own church situations. It doesn't enter into specific contentious debates, but instead considers issues such as reconciliation, division, discipline, peacemaking, mediation and mission. It asks what needs to happen for those from differing viewpoints to both listen and be heard, and does not shy away from hard questions about unity in the gospel and the church's public witness. The book draws lessons from the New Testament, church history, and contemporary experience, with chapters from a dozen theologians and practitioners. They are editors Andrew Atherstone and Andrew Goddard, Tory Baucum, Martin Davie, Lis Goddard, Clare Hendry, Toby Howarth, Ashley Null, Ian Paul,...

Read unlimited* books and audiobooks on the web, iPad, iPhone and Android. Christ the controversialist: full of grace and truth. Before you rush to judge the shocking language of theologians like Martin Luther, pause to consider the polemic of the New Testament itself. The apostles never condone physical violence or coercion; rather they call upon believers to suffer with patience for the sake of the gospel, like their Saviour who when reviled did not revile in return (1 Peter 2:23). But when rebuking error they do use extremely strong language, which startles modern readers. His experience, grace and wisdom in standing by his beliefs yet seeking good relations with those with whom he disagrees provides an excellent model for all of us. Michael Thompson always writes well and helpfully - his essay here is no exception, and his guidance, warnings and encouragements all strike home. An excellent, multi-faceted and balanced treatment of complex issues. Delightful to find it reflects the grace and truth of its subtitle and avoids the arrogant, polarizing denunciation which marks so much religious and political rhetoric these days. Read more. 2 people found this helpful. Can we, as Archbishop Justin Welby has asked, transform "bad disagreement" into "good disagreement"? What would that look like in practice? This book is designed to help readers unpack the idea of "good disagreement" and apply it to their own church situations. It doesn't enter into specific contentious debates, but instead considers issues such as reconciliation, division, discipline, peacemaking, mediation and mission. This is, in part, indicated by the book's subtitle "Grace and truth in a divided church" but is also highlighted in Justin Welby's foreword. There is not a little irony in the fact that one of the greatest sources of tension between Christians is the issue of how they should disagree with one another.
